

COOKIES CONSENT UNDER THE GDPR – Extended statement

What are cookies?

Cookies are small text strings that the websites visited send to the devices, where they are stored and relayed once the user visits the website again.

Cookies may perform different functions and have got different features.

Cookies can be used by Data Controller either by Third Parties.

Here below you'll find all the informations related to cookies used by the present website, together with the instructions which will help you to manage your cookies preferences.

For further informations about cookies please visit www.allaboutcookies.org

Cookies used by the present website

The use of cookies is included in Privacy Policy – general conditions issued by Data Controller, the company @CULT SRL, which is located in Rome (Italy), Via Quintino Sella 33, 00187

Technical cookies that don't require user consent

Cookies used in order to perform activities strictly necessary for the functioning of the present website and for the provision of the service:

- **Cookie name** - PHPSESSID
Type - session
Duration - the cookie is deleted when you close your web browser
Description - as you browse around the pages on this site, the session cookie tells the website that you are the same person requesting the webpages, and not a new visitor to each page. This cookie does not identify you personally and is not linked to any other information we store about you
- **Cookie name** - _icl_current_language
Type - persistent
Duration – 1 day
Description - this cookie name is associated with a Wordpress multilingual plug-in from WPML. It stores a language value for the website. Where the cookie is set in response to a user action or request, and as long as it has a short lifespan, it can be treated as strictly necessary

Third Part cookies

All cookies different from technical cookies above mentioned are installed / activate only after user prior express consent to be released on the first visit on the website. The consent may be expressed in general manner, by interact with cookie banner, according to the different modality explained in the banner (e.g. by click on OK button).
